I authorize, by my signature below, the dispensing of appropriate needles and syringes, in a sufficient quantity, required for the administration of injectable products by patient or caregiver. Authorization for supplies runs concurrently with the number of refills or time frame specified for the drug.

Prescriber's name: \_\_\_\_\_ State license #: \_\_\_\_\_ DEA #: \_\_\_\_\_ NPI #: \_\_\_\_\_ Medicaid UPIN #: \_\_\_\_\_

In order for a brand name product to be dispensed, the prescriber must handwrite "Brand Necessary" or "Brand Medically Necessary" or your state specific required language after their signature.

I certify that the above therapy is medically necessary and that the information above is accurate to the best of my knowledge. Prescriber's signature required on one of the lines below.

Dispense as written

Substitution permitted

Date

The prescriber is to comply with his/her state specific prescription requirements such as e-prescribing, state specific prescription form, fax language, etc. Non-compliance with state specific requirements could result in outreach to the prescriber.
